

holder, must submit to BLM a certified statement listing any tenants and customers in your facility or facilities and the category of use for each tenant or customer as of September 30 of the same year. BLM may require you to submit any additional information needed to calculate your rent. BLM will determine the rent based on the certified statement provided. We require only facility owners or facility managers to hold a grant or lease (unless you are an occupant in a federally-owned facility as described in § 2806.42 of this subpart), and will charge you rent for your grant or lease based on the total number of communication uses within the right-of-way and the type of uses and population strata the facility or site serves.

§ 2806.32 How does BLM determine the population strata served?

(a) BLM determines the population strata served as follows:

(1) If the site or facility is within a designated RMA, BLM will use the population strata of the RMA;

(2) If the site or facility is within a designated RMA, and it serves two or more RMAs, BLM will use the population strata of the RMA having the greatest population;

(3) If the site or facility is outside an RMA, and it serves one or more RMAs, BLM will use the population strata of the RMA served having the greatest population;

(4) If the site or facility is outside an RMA and the site does not serve an RMA, BLM will use the population strata of the community it serves having the greatest population, as identified in the current edition of the Rand McNally Road Atlas;

(5) If the site or facility is outside an RMA, and it serves a community of less than 25,000, BLM will use the lowest population strata shown on the rent schedule.

(b)(1) BLM considers all facilities (and all uses within the same facility) located at one site to serve the same RMA or community. However, BLM may make case-by-case exceptions in determining the population served at a particular site by uses not located within the same facility and not authorized under the same grant or lease.

BLM has the sole responsibility to make this determination. For example, when a site has a mix of high-power and low-power uses that are authorized by separate grants or leases, and only the high-power uses are capable of serving an RMA or community with the greatest population, BLM may separately determine the population strata served by the low-power uses (if not collocated in the same facility with the high-power uses), and calculate their rent as described in § 2806.30 of this subpart.

(2) For purposes of rent calculation, all uses within the same facility and/or authorized under the same grant or lease must serve the same population strata.

(3) For purposes of rent calculation, BLM will not modify the population rankings published in the Rand McNally Commercial Atlas and Marketing Guide or the population of the community served.

§ 2806.33 How will BLM calculate the rent for a grant or lease authorizing a single use communication facility?

BLM calculates the rent for a grant or lease authorizing a single-use communication facility from the communication use rent schedule (see § 2806.30 of this subpart), based on your authorized single use and the population strata it serves (see § 2806.32 of this subpart).

§ 2806.34 How will BLM calculate the rent for a grant or lease authorizing a multiple-use communication facility?

(a) *Basic rule.* BLM first determines the population strata the communication facility serves according to § 2806.32 of this subpart and then calculates the rent assessed to facility owners and facility managers for a grant or lease for a communication facility that authorizes subleasing with tenants, customers, or both, as follows:

(1) *Using the communication use rent schedule.* BLM will determine the rent of the highest value use in the facility or facilities as the base rent, and add to it 25 percent of the rent from the rent schedule (see § 2806.30 of this subpart) for each tenant use in the facility or facilities;

§ 2806.35

(2) If the highest value use is not the use of the facility owner or facility manager, BLM will consider the owner's or manager's use like any tenant or customer use in calculating the rent (*see* § 2806.35(b) for facility owners and § 2806.39(a) for facility managers);

(3) If a tenant use is the highest value use, BLM will exclude the rent for that tenant's use when calculating the additional 25 percent amount under paragraph (a)(1) of this section for tenant uses;

(4) If a holder has multiple uses authorized under the same grant or lease, such as a TV and a FM radio station, BLM will calculate the rent as in paragraph (a)(1) of this section. In this case, the TV rent would be the highest value use and BLM would charge the FM portion according to the rent schedule as if it were a tenant use.

(b) *Special applications.* The following provisions apply when calculating rents for communication uses exempted from rent under § 2806.14 of this subpart or communication uses whose rent has been waived or reduced to zero under § 2806.15 of this subpart:

(1) BLM will exclude exempted uses or uses whose rent has been waived or reduced to zero (*see* §§ 2806.14 and 2806.15 of this subpart) of either a facility owner or a facility manager in calculating rents. BLM will exclude similar uses (*see* §§ 2806.14 and 2806.15 of this subpart) of a customer or tenant if they choose to hold their own grant or lease (*see* § 2806.36 of this subpart) or are occupants in a Federal facility (*see* § 2806.42(a) of this subpart);

(2) BLM will charge rent to a facility owner whose own use is either exempted from rent or whose rent has been waived or reduced to zero (*see* §§ 2806.14 and 2806.15 of this subpart), but who has tenants in the facility, in an amount equal to the rent of the highest value tenant use plus 25 percent of the rent from the rent schedule for each of the remaining tenant uses subject to rent;

(3) BLM will not charge rent to a facility owner, facility manager, or tenant (when holding a grant or lease) when all of the following occur:

(i) BLM exempts from rent, waives, or reduces to zero the rent for the hold-

er's use (*see* §§ 2806.14 and 2806.15 of this subpart);

(ii) Rent from all other uses in the facility is exempted, waived, or reduced to zero, or BLM considers such uses as customer uses; and

(iii) The holder is not operating the facility for commercial purposes (*see* § 2801.5(b) of this part) with respect to such other uses in the facility; and

(4) If a holder, whose own use is exempted from rent or whose rent has been waived or reduced to zero, is conducting a commercial activity with customers or tenants whose uses are also exempted from rent or whose rent has been waived or reduced to zero (*see* §§ 2806.14 and 2806.15 of this subpart), BLM will charge rent, notwithstanding section 2806.31(b), based on the highest value use within the facility. This paragraph does not apply to facilities exempt from rent under § 2806.14(d) of this subpart except when the facility also includes non-eligible facilities.

§ 2806.35 How will BLM calculate rent for private mobile radio service (PMRS), internal microwave, and "other" category uses?

If an entity engaged in a PMRS, internal microwave, or "other" use is:

(a) Using space in a facility owned by either a facility owner or facility manager, BLM will consider the entity to be a customer and not include these uses in the rent calculation for the facility; or

(b) The facility owner, BLM will follow the provisions in § 2806.31 of this subpart to calculate rent for a lease involving these uses. However, we include the rent from the rent schedule for a PMRS, internal microwave, or other use in the rental calculation only if the value of that use is equal to or greater than the value of any other use in the facility. BLM excludes these uses in the 25 percent calculation (*see* § 2806.31(a) of this subpart) when their value does not exceed the highest value in the facility.

§ 2806.36 If I am a tenant or customer in a facility, must I have my own grant or lease and if so, how will this affect my rent?

(a) You may have your own authorization, but BLM does not require a separate grant or lease for tenants and
